 - At benchmark "green"- 59%
 - Below benchmark "yellow"- 14%
 - Well below benchmark "red"- 25%

- **Determine greatest area of need, possible goals and expenditures**

Council agrees that English Language Arts is our greatest need. Currently we are using Trustlands money to provide teachers collaboration time by having an art program. We also have money that we spend on behavior tracking and PBIS. We use some of the money to replace technology- we will lose about 80 devices this year that we will need to replace. Teachers have been happy with the Chrome Books. We also purchase the IXL program that we mainly use for math. We made an amendment this year to pay for part of the keyboarding teacher.

- **Other Items**

Council would like more communication from teachers to parents. Possibly a monthly report. This will be discussed at IIT.

There is interest about having a Spanish speaking PTA or Parent involvement meeting. Angela will set up a time with Debi Harker to meet with Jill.
