- Behavior Data -- Jess explained the PBIS program at Spring Creek and what the paras, paid through SCC, are doing to support positive interventions school-wide.
- Art and Keyboarding teachers - provides PLC time for grade level teams, helps students in grades 2-6 learning keyboarding skills,
-

- **Greatest academic need discussion**

5th grade has 27% in Reading on iReady

Fluency is an area that students are struggling

We are looking at programs that will help with vocabulary instruction

The SCC agrees that Literacy continues to be our greatest academic need. Jill will come next month with possible goals for next year and how we will measure it.

Follow-up - we do not qualify for a speed limit/school sign because of the amount of traffic driving through the neighborhood.

Ideas from Future Meetings:

School-wide Reading incentive program

Resources for parents on how to help at home with phonics, fluency, comprehension, math

Person at the school who can help with specific skills

Waterford- Free program- We use Imagine Learning in K and with ELL
