- The Minutes from January 8, 2016 SCC were approved

- Review 2015-2016 Trustlands Plan Amendment

Reviewed iReady usage at school

Reviewed DIBELS reading fluency data for 2015-15 beginning of year to middle of year. Explained what Data-Dives are and how we use this designated time to look at student data and come up with a plan of what to do to teach students concepts that they do not understand.

- Review Reading Promises Continuum

Skills that are assigned to each grade level for mastery

- Share plans to assess and place students on the Reading Continuum

Reviewed Reading Continuum data sheet that we will use to track where students are on the Continuum.

Brief discussion about SAGE

SAGE takes 6-7 hours total over about a 4 week period per student.

Brief discussion about John Hattie

Hattie is a researcher who has looked at thousands of studies about what works for kids and academic achievement.

- Start planning for 2016-2017 Trustlands Plan

Discussed that paying for an art teacher out of Trustlands might not be appropriate use of funds. Jill has emailed Paula to ask her. Jill discussed some other possible budgets to pay for art.
