SCC Members:

Additional Members: Lori Carlson, Olivia Goldman

Approval of April 15th Minutes sent via email

Agenda Items:

#### Final Plan

- Jill added that Reading is our greatest area of need
- 5th and 6th grade made significant growth this year in SAGE testing (comparing scores of same kids year to year)
- Assessments: progress monitoring assessments that align to our Spring Creek Reading Promises Continuum (using assessments that match the instruction and interventions students receive)
- Increased Distribution: In case of increase (we spend less than our estimate), send teachers to WIDA conference to address needs of ELL population, replace aging technology
- plan will soon be published and put on our school website
