

Call to Order/Introduction: Olivia Goldman, Ashley Rayback, PTA Co-Presidents

Pledge: By Invitation

Leadership thought: Malisa Whiting, Leadership VP: There are things I can do that you cannot and things you can do that I cannot. Together we can do it all.

Teacher Update: Maren Clayton, Teacher VP: A google survey was sent out amongst the teachers for their input on the Spring Creek Spectacular - (see attached sheet)

Principal Update: Principal Jill Franklin, Administrative VP:

-Comparable schools report showed Spring Creek to be #1 in Proficiency, #1 for progress.

Averaging 2 years of growth in a year. This is possible because of a great team-(leadership, teachers, parents, students).

-Everyone seems excited for the color fest.

19 bikes to auction off

-It is her 4th year here as a principal, feeling like the best year yet.

Looking for parent volunteers for a school safety committee. (Nia Samani and Angelina Brito volunteered)

Community Outreach Report: Kimmy Martinez:

-Generous donation from Day Of Caring - Maturation kits from Microfocus

-Currently have after school Yoga spots open, it's a great class!

-After school programs not open to Kindergarten; Kindergarten is a half day program that is funded to full day- like an after school program is.

- Bus routes slower this year for some parents. One bus covers whole boundary and they switched the direction they are dropping off this year. An afterschool grant pays for the buses and it would be very costly to add another bus.

PTA Council Business: Marci Lemonier, Provo Council President:

-Advocacy Conference-Utah PTA October 16, 9am-2pm @Granite School District cost- \$16

-Important Election this November. Vote Yes on question #1- a \$.10 gas tax that will earn 100 million dollars towards Utah education a year and will be under local control. It will be a mail-in Ballot. Show that Utahns value education and that we are willing to pay for it. *Watch Doug Wright video.
