Agenda Items:

- School Community Council Training and Purpose Review
 - https://www.youtube.com/watch?v=88dw5vN_pXg&t=117s
- Change in status of membership
 - A couple of parents will no longer be able to serve on the committee. We need more parent members so we will have enough for voting. Discussed a couple of possible parents to approach.
- Elect School Community Council Chair and Vice-Chair -- Decided to wait until next meeting.
- Review Rules of Conduct Document -- Didn't review. Will Review in Oct. Meeting
- 2018-2019 SIP Goals -- Review Results
 - Goal 1 Progress: 78.2 % of students made at or above progress on DIBELS at the EOY benchmark. The goal was that 75% of students made at or above progress on DIBELS at the EOY benchmark so we met the goal!
 - Goal 2 Proficiency: Increase the percent of students meeting benchmark on DIBELS at EOY by 9%.
- 2019-2020 SIP Review -- Current Goals
 - Goal 1 Discussion: We should possibly increase this goal.
 - Goal 2 Discussion: We are starting a little higher this year. We should possibly increase this goal. Discussion -- 12% sounds reasonable. Possibly we should look at our progress at mid-year before we set the end of year goal. Jackie McDermott will talk to the faculty about the goals during the faculty meeting on

October 2 and discuss keeping the same increase of 12% and determining the increase of progress by waiting for MOY to set the goal. We want to calculate what this looks like by class and how many students we would have to move.

There is a trend across the state that 1-2nd grade aren't making the progress or proficiency that is expected.

Additional discussion:

Jill reviewed the Title I plan goals that were set for this school year.

Cristina Bray--We need to talk to students in elementary more about college. College needs to be promoted.

PTA and SCC can help promote college and career ready. Reality Town, Junior Achievement are programs that were mentioned.
