

# Spring Creek Vision, Mission and Information

At Spring Creek Elementary we believe that we are leaders ascending to excellence. Our Mission is continuous progress for all. The Hawk is our mascot and reminds us to spread our wings wide to help us soar to great heights. We believe in being kind, safe and responsible in all that we do. What affects one affects all!! We are a team working together for the good of all. Positive supports are in place to help all members of the team; students, teachers, staff, parents, community members, come together and work at the highest level possible. We use a PBIS (Positive Behavior Intervention Supports) model that establishes clear expectations for behavior, social interactions and academic work. These expectations were developed by student leadership. The students presented the expectations to the teachers, staff, and parents for input. Student leadership provides training for their peers on these expectations. We are proud of this work and know what we want to BE. Watch for “Way to Be” cards coming home to recognize student performance.

*Our Be Statements guide our actions.*

## **Be Kind**

We ask students to treat each other as well or better than they would want to be treated.

We ask parents to help their children understand the significant influence of how we talk to and treat others.

We ask all to treat everyone with civility and respect.

## **Be Safe**

We ask students to follow the safety rules.

We ask all to follow the guidelines for drop off and pick up (See School Website). We ask all to watch for signs that a student is being mistreated in any way.

## **Be Responsible**

We ask that students come to school every day.

We ask that students be actively engaged in their learning.

We ask that teachers communicate progress and mastery often and in a way that is understandable to students and parents.

## Inside/Outside Day Guidelines & Morning Choices

Breakfast is served starting at 8:00 a.m.

There is limited supervision between 8:00 a.m. and 8:15 a.m. Students are only allowed in the lunchroom during this time.

Starting at 8:15 students can choose from the following activities:

Outside Play

Open Library

Open Art

Open Gym

The first bell rings at 8:35

On days when the temperature drops below 20 degrees or the air quality is in the unhealthy/red category an inside day will be called and students will stay inside the building and be provided with other indoor options. Students should plan for outdoor activities. They need to be prepared with coats, hats, boots, gloves as needed when the weather turns cold. We will be outside as often as is possible. For the hot sunny days we recommend that sunscreen be applied in the morning before leaving for school. At times bug spray may also be a good idea.
