

Now Accepting Applications For: The Spring Creek Elementary School Community Council

What is the SCC?

The School Community Council at Spring Creek Elementary is a committee of interested community members including parents, school staff, and administrators who meet to discuss parent input, Trustlands money, academic achievement, digital and overall safety information as well as other school related topics. If you have ideas to discuss or suggestions on how to improve our school then the SCC is the place for you!

What would be my time commitment?

The SCC meets about once a month during the school year for approximately 1 hour. (Exact dates and times will be determined by committee member availability and then posted on the school website.) This is a small time commitment that can have great impact!
