

Spring Creek After School Robotics Team

# SEEKING VOLUNTEER MENTORS

Here are the details:

Need: 1-8 volunteer mentors

Dates: February 24th - April 28th

Time: 3:45 - 4:45pm

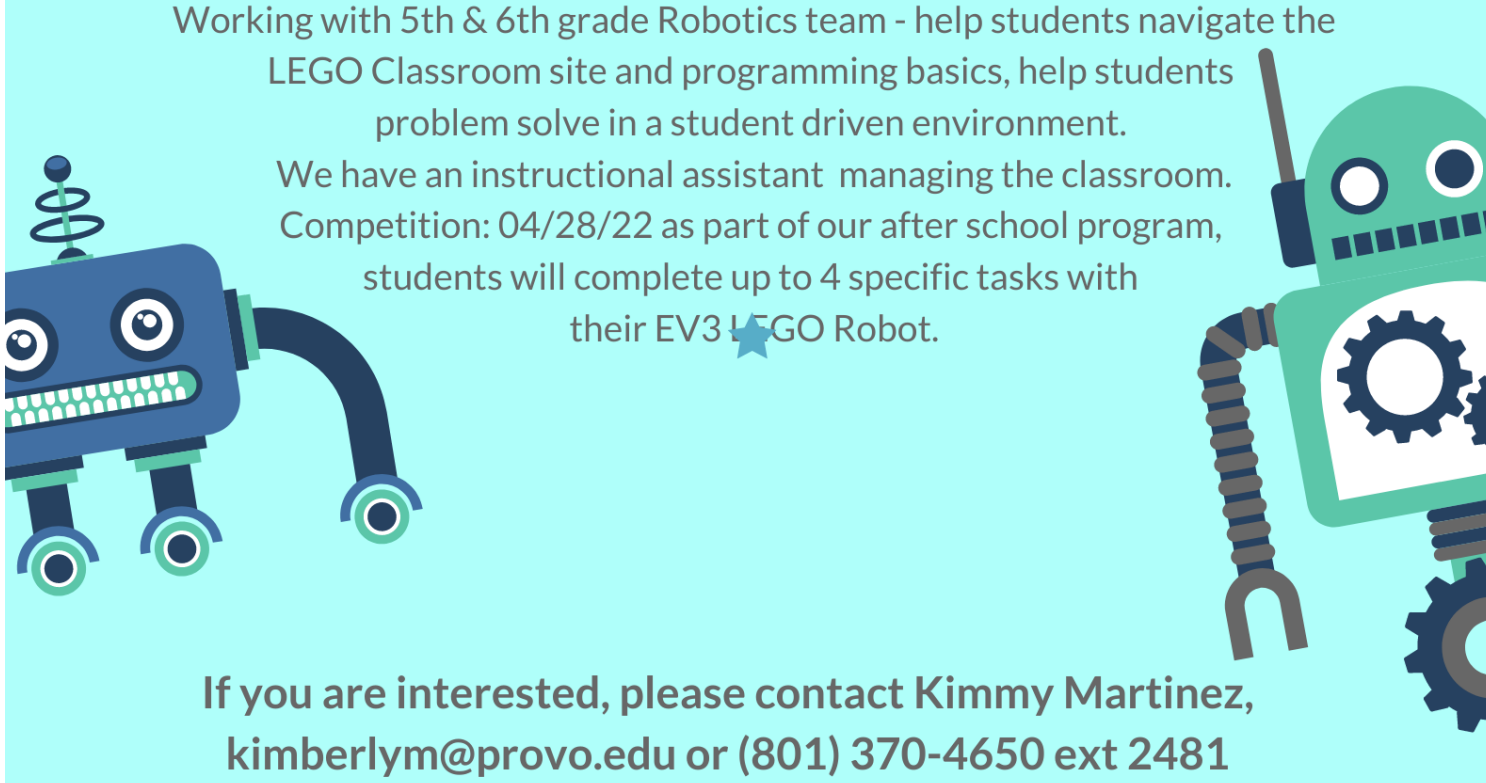

Days: Tuesdays & Thursdays

(if they could only do once per week, that would help too)

Working with 5th & 6th grade Robotics team - help students navigate the LEGO Classroom site and programming basics, help students problem solve in a student driven environment.

We have an instructional assistant managing the classroom.

Competition: 04/28/22 as part of our after school program, students will complete up to 4 specific tasks with their EV3 LEGO Robot.

If you are interested, please contact Kimmy Martinez,
