

PTA/Parent Involvement Meeting
Friday March 11th, 2022
Spring Creek Library

Start Time: 10:04AM

Attendance: Jenny Wright, Kirby Cook, Kimmy Martinez, Crystal Blodgett, Suzanne Martinez, Ashley Rayback, Jennifer Partridge, Jill Franklin, Lochsley Allred, Olivia Goldman, Dahlia Bone

Call to Order/Introduction: Jenny Wright (PTA President)

Pledge of Allegiance: Kimmy Martinez

Principal Update: Jill Franklin

- Principal Franklin will not be returning as principal next year
 - Holding interviews next week; if you have input about what you would like to see in a principal, feel free to submit that input
 - Interview committee will be well-represented with admins, teachers, staff, and parents who would work most closely with the new principal

Community Outreach: Kimmy Martinez

- BYU registering for Chem Camp for 9-12 year-olds (2-3 day camp); it does cost money, but there is a waiver, so if you are interested in this for your child, please apply
- If you have a child who is struggling academically, BYU offers a one-on-one tutoring program. Google "BYU seeds of Success"; fill out form called "Get Involved"; can fill it out until the middle of April
- Theater kids will be performing "Seussical Kids" on March 31 from 6:15-6:45, and then our School Arts Salon from 6-7, where families can wander around the school and see all the wonderful artwork from students
- Robotics after-school program has been phenomenal this semester. It has been wonderful to see several Spring Creek dads and Spring Creek alumni help out and really help the kids engage in this
- For those who have kids attending theater, they will be coming Monday-Thursday, starting on March 21
- If your child ever has an academic need, Kimmy Martinez is very willing to help find resources to help them out

School Board Update: Jennifer Partridge

- Legislative session: bill proposed by Adam Robertson to eliminate school fees; that did not go through, because of a lack of funding for it; hopeful that something like that will come through next year; school board will be approving the school fee schedule very soon for the next academic year
- Rebuild of Wasatch and Dixon: just bought the bonds for that; got a good interest rate (2.6%); we received \$110M for what will only cost us \$91M
- Dixon Middle School will now be Shoreline Middle School; will be keeping the mascot and colors
- Redistricting: final decision has been made; for the Spring Creek area, not much has changed. For our district, there will be a total of 4 candidates. Primary will be on June 28; Council PTA may be organizing a type of "meet-and-greet" for the candidates
