

Spring Creek Concert Choir Contract 2023-2024

Parent and Student Agreement:

_____ (Name of Choir Member), understands that choir is a privilege and will contribute to the success of the choir by doing the following:

- Attending all rehearsals before school on Tuesday and Thursday mornings. We understand that less than 80% attendance may affect eligibility to perform concerts or attend choir parties (students must come to at least 22 rehearsals each semester).
- Plan to be at every choir performance and festival. Make arrangements in advance with other possible conflicting activities. Please notify the choir directors two weeks in advance if there is a conflict that you are unable to resolve regarding a performance.
- Listening and participating attentively in rehearsals.
- Showing kindness and respect to the other choir members and directors.
- Demonstrating good choir etiquette at choir performances, festivals, and field trips by listening with respect to other choirs, remaining seated during the performances, following the directions of the choir directors and parent volunteers, and planning to stay for the entire concert.
- Keeping updated on choir events by bringing home and checking choir announcements.
- Committing to choir for the entire year.
- Arranging rides to and from choir performances.

We understand that participation in the Spring Creek Concert Choir is dependent on following these above expectations.
