Need to approve last month's minutes - minutes are approved as written - there were no changes.

1. Digital Citizenship Presentation by JP Pontious Network Administrator for Provo City School District
 - a. ContentKeeper is our district filter - will block all harmful sites known to filter. Also blocks unknown sites
 - b. Chromebooks - (Bark.us) on-site filter
 - c. Blocks i is also used to manage classroom Chromebooks , also available off campus.
 - d. Different settings for different grade levels/curfews assigned
 - e. Youtube and Google Images go to restricted more and Safe Search mode
 - f. Most schools use BeNetPositive.org (Spring Creek had NetSmartz come last year.)
 - g. Schools will provide training on web safety within 45 days of school starting
 - h. District uses E-rate funding to keep infrastructure up to date and secure.
2. Ruth Ann will look into BeNetPostive, NetSmartz has also reached out to us this year. Ruth Ann will report back about pricing and information in January.

3. Presentation of Data from Parent Input Survey

- a. 76 responses in English and 11 responses in Spanish - responses from each classroom
- b. Discussion items:
 - i. Have a notice at the top of the email to scroll down for Spanish. Be mindful to have a Spanish speaker read over the DeepL translation to ensure it makes sense and is in context.
 - ii. Is there a way to select a different language for our website similar to what the district website does? (Question for Caleb)
 - iii. May want to consider rewording the question about being able to check your child's academic work completion. 6th Grade uses PowerSchool, but this is tricky for younger grade levels.
 - iv. Parents want family centered activities followed by student performances (English) Academic Training - Literacy was number one for Spanish responses.

Next Meeting: Friday, January 19, 2024 (Academic Area of Greatest Need Teacher Survey)
